

Facilities Management

Our Facilities Management team offers a wide range of essential services that are focussed around the needs of schools and settings.

With pupils at the heart of everything we do, you can rest assured that the services we provide not only meet your needs but help to create the best learning environment for children; from a clean and safe place to develop and grow to nutritious, well balanced meals to support eager minds.

What we offer

Cleaning and caretaking

From day to day services to tailored packages, North Yorkshire Education Services provide a range of options.

Our routine package includes:

- Hard floor maintenance
- Vacuuming and carpet cleaning
- Washroom cleaning
- Site security
- Minor repairs
- Snow clearing paths

Tailored packages include:

- Asbestos and legionella monitoring service – working under the direction of your responsible officer this service will provide the evidence needed to take any responsible action.

- Management Service – providing specialist technical advice for:
 - Appropriate floor coverings and maintenance regimes
 - Treatment of wood floors
 - High level cleaning
 - Chewing gum removal
 - Internal window cleaning

Catering

Using local/regional suppliers, we ensure only the best produce is used to create our nutritionally balanced, child friendly meals.

Our service includes:

- Annual budgets illustrating income and costs
- A food safety management system which encompasses all aspects of food safety from procurement to service

- Menus designed with feedback from pupils which are compliant with mandatory Food Standards
- Fully trained staff using traditional culinary skills in the preparation of all meals
- Detailed nutritional information for schools and parents with allergens/special dietary needs
- Food for Life Served Here - Silver Award accreditation from the Soil Association

Alongside this full catering and fresh food supply service, our team also offers a range of additional services to enhance the provision of meals within your school:

- Monitoring and inspection service
- Heavy equipment replacement scheme for primary schools
- A range of training courses in Food Safety, Nutrition, Risk Management, Cookery Skills, Manual Handling and Food Allergens

Grounds Maintenance

Working in partnership with our customers, we create attractive, inviting and safe environments that you can be proud of – from hardstanding areas to playing fields and green spaces, we manage every aspect:

- Grass-cutting and playing field maintenance

- Sports and playground markings
- Hedge-cutting and border maintenance
- Maintenance of all-weather surfaces

Additionally, we have the expertise to work on a range of projects to help you get the most from your outside space:

- Bedding schemes
- Landscaping schemes including paving
- Tree and shrub planting (in consultation with the Arboricultural Officer)
- Creation and maintenance of wildlife areas
- Land drainage works
- Verti-draining / aeration
- Fertilizer and pesticide applications
- Targeted Weed control
- Litter collection
- Gutter and rainwater drain clearance
- Hard surface cleaning and moss control
- Mole control
- Grass-seeding and turf laying
- Fencing
- Maintenance of artificial sports pitches
- Renovation of artificial pitches
- Additional playground marking
- Provision of grit bins and grit

Benefits

When you take advantage of our Facilities Management services you can rest assured that all of your needs are taken care of, providing you with the confidence that your school is in the most capable of hands and enabling you to focus your attention on providing great outcomes for your pupils.

- Each school is allocated a dedicate Operations Manager – providing you with a single point of contact for all of your Facilities Management services. Your specialist contact will manage every aspect of the contract on your behalf
- All staff are employed by us; this means you don't need to worry about covering staff absence, recruitment or day to day management. With a wide network of teams and experts, you can be sure of the constant provision of staff and delivery of services
- Unrivalled Facilities Management experience in the education sector – our background, knowledge and expertise gives you complete confidence that all regulations and legislation is met with the added advantage of years of best practice delivery in schools and settings

The NYES difference

Education is our key focus; with all our knowledge and expertise in this sector, we have the ability to deliver first class Facilities Management services to all types of education provider.

All of our school based staff have DBS checks, are highly trained in their roles and are motivated to do the best they can to help pupils achieve. With training in areas such as safeguarding, equalities, health and safety and data protection they have what it takes to consistently deliver outstanding services.

“I would like to take this opportunity to say that our cleaners have been wonderful. School is looking cleaner than ever – they are both always willing to go that extra mile to help us if they can!”

Brooklands Community Primary School, Skipton

“Thank you for your prompt action when I ring – we really appreciate the care you show towards Seton. Thank you for the way in which you look after our grounds.”

Headteacher, Seton Community Primary School
