

COMG09: GDPR Awareness

The General Data Protection Regulation (GDPR) will come into effect on 25 May 2018. In preparation, we have devised this course to cover some of the key changes in legislation, including:

- GDPR background central aim
- Types of data
- Data controller and data processor responsibilities
- Consent (incl. children's personal data)
- Privacy notices
- Lawful processing
- GDPR principles
- Individuals' rights
- Breach notification and penalties
- Accountability and governance
- Transfer of data

This course provides the learner with an overview of each of these areas. A more detailed 'Awareness' version is also available for learners that require deeper knowledge of GDPR

Course Content

- State what the GDPR is
- Explain why we need it
- Describe the categories of data
- List some of the key changes in legislation
- Explain the standards for consent and safeguarding of children's data
- Describe the accountability requirement for data controllers and processors

Course Duration

- 40 minutes

Available in:

- Audio with subtitles

Delivered via:

- Internet
